REQUEST FOR WAIVER OF 471 APPLICATION DEADLINE

Geff CC School District 14, BEN 136745

470: 180006568

471: 191013870

FRN #1999018298: Internet Access

Geff CC School District 14, a small, rural school district in south-eastern IL (70% E-rate discount), respectfully requests a waiver of the 2019-20 Form 471 application deadline. It was brought to our attention by USAC that the 471 form was 'sent for certification' instead of 'certified' on April 8, 2019. The 471 covers continued internet access service for our district. It was originally completed on February 21, 2019, and we believed it was in fact certified on that date. We were unaware that this clerical error had occurred until USAC brought it to our attention.

With the help of our State E-rate Coordinator, Melinda Fiscus, Geff CC School District 14 completed the certifications and successfully submitted the form. We are filing this request today to correct this clerical error.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019. We look forward to another year of service and support from the E-Rate program.

Respectfully submitted this 12th day of April 2019,
